OUR JOURNEY

With this quote, at Aparajit, we work day and night to create memories that will last with you forever, we strive to bring to you the best sporting experience, and we give our best to leave no stones unturned. Since our inception, our goal has been to bring the best opportunities for sports enthusiasts like you to come and celebrate the true spirit of sportsmanship together.

The idea of Aparajit had a very humble beginning; our alumni sat over a cup of the good old 'chai', and unanimously decided to create something much more distinct from other sports fests.

They wanted to bring forth the best sporting facilities with the perfect atmosphere to enhance every sportsman's experience. They knew, being sportsmen themselves, that the very basic ingredient of a good sports fest is valuing its participants for all the perseverance they put into making themselves the best.

ABOUT APARAJIT 2020

"Vasudhaiva Kutumbakam" which means the world is one family, is the vedic principle which forms the cornerstone of Symbiosis International (Deemed University) and as a part of the Symbiosis family. We at Symbiosis Law School, NOIDA find ourselves committed to the same. Symbiosis Law School, NOIDA in just nine year of its inception has carved a niche of itself in the academic Circuits, it strives towards supplementing reforms in the field of law to groom students, become the unified face of our legal fraternity to produce knowledge disseminators and to produce individuals who are the torch bearers of the legal system of our country.

At Symbiosis while academic excellence is meant to be uncompromising, we believe that the significance of literacy culture as well as sport skill is indelible to an integrated experience in law school aspiring to stride towards holistic development.

We are proud to announce the fourth edition of our national sports fest APARAJIT.
