❖ **ADDITIONAL FEATURES**

Moreover, Symbiosis Law School, Noida also provides additional facility of accessing information relating to diversified areas through the unique facility, which provides access to the Learners and Tutors to know about rare books, collection, articles, monument, information about any news, updates, useful resources, useful websites, recent judicial decisions etc., through following mediums:

- 1) Web OPAC
- 2) DELNET Online Services
- 3) Curiosity/Online Library

Symbiosis Law School, Noida Library is a member of Developing Library Network (DELNET). The DELNET allows its member to search the Books, Articles, Videos, CD-ROMs, On-line Dictionaries and Encyclopedias from database of about 1185 libraries worldwide.

Symbiosis Law School, Noida is also committed to use apt use of Information Technology. So keeping in mind this end, recently Symbiosis Law School, Noida has started unique facility of providing online access to the learners to see any updates, news, information or other useful resources related to their subject. There is a common place where users (Faculty members and Learners) contribute to the development of Online library under the head of **“Curiosity”-Online Library of SLS, NOIDA.”** This has resulted into a great success with the help of useful contribution of Learners and Faculty Members.

The details of all these online/electronic resources as to their Contents, Usages, Facilities, and mode of function, accessing, retrieving, using and downloading information is given under the following heads:

1) MANUPATRA:

Manupatra is a leading Law Publisher in India which provides online as well published text resources to access the latest information regarding Law, Taxation, Corporate and Business Policy.

The important feature of this legal database is it provides privileged access to its users and empowers them with in-depth legislative, regulatory and procedural information critical for decision making, without having to go to multiple sources. IP users can have direct access to any information relating to above mentioned areas by avoiding multiple results.

It provides information under following heads:

- 1) Manu Search
- 2) Legal Search
- 3) Act Search

Data base allows you to store or save the information accessed or the data retrieved through above mentioned modes of search, thereby one can have access to the last page/web page/document/search visited or stored or saved in the facility provided for.

“Legal Search” facility of Manupatra is one of the innovative medium through which Researcher/User can get immediate results. Under the head of “Legal Search” following tools are provided to retrieve any information provided by Manupatra:

- ✚ Advance Search
- ✚ Indian Citation
- ✚ International Citation
- ✚ Miscellaneous Searches:
 - Search of Case Laws by selecting Bench
 - Judgments under the Act or Statutes
 - Case Law search by Case number
 - Search Commentary (Search with the help of views of Authors of books, articles etc.)

The Miscellaneous Searches will assist user in viewing case laws by refining/ restricting the search results to bench pronouncing them OR viewing selected important case laws in form of Judgments under Act or Statute (Digest).

Manupatra, by and large provides access to all the judgments delivered by the Courts and reported in the recognized journals.

2) HEIN ONLINE:

Hein Online is a premier online research product with more than 90 million pages of legal history available in an online, fully-searchable, image-based format and is the world's largest image-based legal research collection.

Hein Online bridges the gap in legal history by providing comprehensive coverage from inception of more than 1,700 law and law-related periodicals. In addition to its vast collection of law journals, Hein Online also contains the Congressional Record Bound volumes in entirety, complete coverage of the U.S. Reports back to 1754, famous world trials dating back to the early 1700's, legal classics from the 18th & 19th centuries, the United Nations and League of Nations Treaty Series, all United States Treaties, the Federal Register from inception in 1936, the CFR from inception in 1938, and much more.

It provides an exclusive feature that user can access the exact page images of the documents in PDF format just as they appear in the original print copy. This means that all charts, graphs, tables, pictures, hand written notes, photographs, and footnotes appear where they belong.

Following are the few features of Hein Online which the users often find it very useful in their research and academic work:

- **Personal Research Tool:** It is a complimentary tool that allows user to create and organize bookmarks, save search queries, email links to bookmarks or search queries, and create title/eTOC alerts using

your own personal research account. You can create a bookmark directly from an article or document or from your search results. User can also export bookmarks to an email, a CSV file, to RefWorks or to End Note. With the creation of a *MyHein account*, User can access your saved research anytime. Every user can create their own user name and password that only they will have access to.

- **Librarian's corner:** Hein Online's Librarian's Corner contains promotional materials and digital files of our logos that you can use to promote the use of Hein Online. Tools and resources available include posters, graphic banners for your web needs, a Law Journal Library citation or search widget, full color and black/white logos, and much more.
- **Hein's Scholar check:** Hein's Scholar Check is a series of tools and features integrated throughout various Hein Online libraries that allow you to view journal articles that have a heavy influence on the subject Users are researching.
- **Hein Online Help & Support Page:** On the Hein Online Help & Support Page, you can find training resources and e-learning tools including video tutorials, training guides, FAQs, search examples and much more.
- **Extensive Search Option:** Extensive Search Options Use a field or advanced search to find terms, article or document titles, authors, and other data across documents. Narrow your search using the "*Search within These Results*" or quickly run the same search in another library with the click of a mouse. Download documents as a PDF and search the text using your PDF Reader.
- **Subscribed Libraries:** Hein Online data base connects directly to few libraries thereby allowing users to have direct access to the exact

or/and relevant information one is looking for. Especially major libraries subscribed are:

- 1) Law Journal Library: It contains more than 1,700 law and law-related periodicals. Coverage is from the first issue published for all periodicals and goes through the most-currently published issues allowed based on contracts with publishers. Search by article title, author, subject, state or country published, full text, and narrow by date.
 - 2) English Reports: The English Reports delivers exact page images of the original bound reprint edition, containing more than 100,000 cases, together with the Indexes and Book of Charts. In addition, multiple navigation tools, such as a Case Locator, Chart Tool, and an Advanced Search feature enhance the ease of access to specific cases. Also included in this collection is the Statutes of the Realm (1235-1713), along with Pre-1865 Law Reports.
- **Special Facilities for Subscribers:** Hein Online offers a variety of subscription options to meet your research needs. Hein Online offers a Core Subscription Package with access to a base of *content & Libraries* as outlined below.
 - i. Canada Supreme Court Reports
 - ii. Treaties & Agreement Library
 - iii. Early American Case Law
 - iv. United States Code
 - v. English Reports, Full Print
 - vi. U.S. Attorney General & Department of Justice Collection
 - vii. Federal Register/Code of Federal Regulations
 - viii. U.S. Federal Legislative History Library

- ix. Law Journal Library
- x. U.S. Presidential Library
- xi. Legal Classics
- xii. U.S. Statutes at Large
- xiii. U.S. Supreme Court Library
- xiv. Pentagon Papers
- xv. Revised Statutes of Canada

(Additional Information is available on:

<http://heinonline.org/HeinDocs/HOLBrochure.pdf>)

3) Emerald Online:

Emerald Online is huge online learning database which provides user various study and research material available on web. It provides access to information or data through various modes and sources.

Browsing options provided by Emerald Online are precious and directed to exact and accurate information which the user seeks to get through its various modes and sources. Browsing option included:

- 1) General search
- 2) Advanced search
- 3) Search for Journals
- 4) Search for Books
- 5) Search for Case Studies
- 6) Search for Bibliographic databases
- 7) Search for Site pages.

Browsing option is indeed useful for the Users since all abovementioned searches are arranged by further steps:

- Search by Alphabet
- Search by Subject

This advanced tool of finding accurate and correct information is the unique feature of Emerald Online database. In this connection, the

search result is shown with the type of Book, journal and also with the ISSN or ISBN standards.

(Link: http://www.emeraldinsight.com/browse.htm?content=journal_books)

“Resources” is another such useful tool for the stakeholders and is targeted towards specified groups by considering the need of the particular field. Not only web resources but also *guidance* and *training* tips are given on the Emerald Online which shall definitely help the specified users such as:

- Authors looking for writing or/and publishing books or articles.
- Persons in Teaching zone
- Persons in Learning zone
- For Librarians

This is the distinctive feature of Emerald Online, since the information providing Guidance & Learning resources to abovementioned is gathered and arranged very meticulously by considering the need and demand.

Support resources: Since the Emerald Online is a reservoir of online database of information; it strives to show the correct and accurate link of information by providing guidance as to how to use emerald website facility.

The said facility is available on:

<http://www.emeraldinsight.com/help/user/index.htm>

It provides a set of quick guides on how to access our content and where to find further information. These interactive demonstrations last around four minutes and walk you through the key features of Emerald products:

- Emerald eJournals
- Emerald Backfiles
- Emerald Emerging Markets Case Studies
- Emerald ManagementFirst
- Emerald eBooks

Moreover

- "Journal of the Week",
- Emerald's Own Publications/Emerald Books/e-Books
- Latest news & announcements

are additional features which contributes to the making of it world's fastest and largest Online database.

4) Westlaw India:

Westlaw India is a part of Thomson Reuters South Asia Private Limited, which is a first online legal information resource combining

SLS
NOIDA

9) JSTOR:

JSTOR is a shared digital library created in 1995 to help university and college libraries to free space on their shelves, save costs, and provide greater levels of access to more content than ever before.

SLS
VOIDA

JSTOR is a not-for-profit, founded to help academic libraries and publishers. While by digitizing content to high standards and supporting its long-term preservation, it also aim to help libraries and publishers of scholarly content transition their collections and publishing activities from print to digital operations. Its aim is to expand access to scholarly content around the world and to preserve it for future generations. We provide access to some or all of the content free-of-charge when we believe we can do so and still meet our long-term obligations.

Basically JSTOR's products are divided amongst three major tools:

1. Search tools (Advanced/Beta/Citation Locator)
2. Browse by Subject, Title and Publisher
3. My JSTOR: (For Profile/Shelf/Account of the User)

Following are the browsing features of JSTOR which help to find out online material quicker.

- **Beta Search:** is a completely new JSTOR search, providing an easier to use interface and a new search engine. A key goal of the new Beta Search is to provide better results for simple queries. It is also powered by 'Access Refinement' whereby it allows you to limit your search results to content in collections licensed by your institution, or select "All Content" to search across all content on JSTOR.
- **Advanced Search:** provides quick and relevant access to information asked for Book, Primary sources and new books.

10) SCC OnLine:

The SCC OnLine® Web Edition has an extensive database of Indian law, statute law and other material, with a high performance search engine and

The SCC Editorial Team is perhaps the most respected in India and SCC Online **Web Edition** brings User their expertise in the form of carefully drafted and expertly edited legal information. - International Material (WIPO Domain Name Dispute Case, Human Rights Treaties & Conventions and Legal Articles).
- Law Reports (other Law Reports also covered)
- Moreover, huge data form Court, Govt., and other sources is being continuously added.

11) Kluwer Arbitration:

KluwerArbitration.com is the world's leading online resource for international arbitration research. It contains a wealth of commentary from expert authors and an extensive collection of primary source materials. Plus, as a subscriber you gain access to exclusive materials including ICC cases and awards.

The KluwerArbitration.com online database is developed and maintained in conjunction with two partners:

- 1) International Council for Commercial Arbitration
- 2) Institute for Transnational Arbitration

Additional commentary and materials are published in association with the International Council for Commercial Arbitration (ICCA), the leading worldwide organization devoted to promoting international arbitration and other forms of dispute resolution. Over a period of many years, ICCA has compiled, translated into English and edited case law, legislation, national reports and congress proceedings on international arbitration. ICCA's principal publications, prepared with the assistance of the Permanent Court of Arbitration in The Hague, are included in KluwerArbitration.com.

Primary source materials not included in print publications are taken from the ITA Monthly Report, which is published in association with the Institute for Transnational Arbitration (ITA), which has become an important international forum in the field of transnational arbitration. Through regular contributions

from the ITA Board of Reporters, the ITA Monthly Report covers the latest developments in international arbitration.

Kluwer Arbitration provides Category wise material with respect to:

- Bilateral Investment Treaties (BIL)
- Conventions
- Jurisdiction
- NY Convention decisions
- Legislation
- Rules

It also makes available material or information gathered through:

- Books
- Journals
- News and Updates
- Advanced Search facility.

12) Journal of Moral Education:

Journal is part of Taylor & Francis Online which offers a wide range of services and products electronically.

Taylor & Francis Group collaborate with researchers, scholarly societies, universities and libraries worldwide to bring knowledge to life.
