ABOUT THE BOOK

The book titled as A Handbook on CODE OF CRIMINAL PROCEDURE is intended to provide wide horizon of understanding to students about criminal procedure, especially with thorough reading and appreciation of judicial opinions on various issues. This book covers limited areas of criminal procedure and deals with detail scrutiny of judicial opinions over those issues. A critical look of judicial opinions would surely provide learners distinct way of thinking on procedural issues.

Code of Criminal procedure is subject to speedy changes not only by way of legislative instruments but also judicial guidelines. Authors have attempted to maintain this trend and tried to provide detail outlook on these changing trends.
